Bucks for Buckets!

Basketball hoops that is!

Bucks for Buckets is an easy way for you to help us purchase basketball hoops for our gym! When you buy one of our cards for use at a department store, grocery store or restaurant, the store donates a percentage of the gift card back to us. **You will receive a gift card for the full amount that you pay; we receive a percentage from the store;** you spend it like cash; and you will get a donation statement at year's end.

For example: You purchase a \$20.00 gift card from our Borromeo Bucks program for Payless Shoes. You then buy the kids new shoes for school using your gift card. Payless Shoes donates 13% back to **Bucks for Buckets** ... That's \$2.60! Or buy a \$50 card for the Gap or Limited & we get \$4.50!
