

All catechists and volunteers are required by the Archdiocese of Omaha, in accordance with the Charter for the Protection of Children and Young People, to complete a training session and background check. Upcoming Safe Environment training dates and times are available at [www.archomaha.org](http://www.archomaha.org).

If you have been certified previously and your certification is close to expiring please contact St. Charles Borromeo's Safe Environment Coordinator, Amanda Hoeke at 659-0578 or [mattandamandal@cox.net](mailto:mattandamandal@cox.net) to set up a recertification class.
